PROFESSIONAL SUMMARY

SEO Specialist with 2+ years of hands-on experience across Technical SEO, Local SEO, Content SEO, and E-commerce SEO. Skilled in keyword research, search intent analysis, semantic SEO, and topical authority — building site structures and content that strengthen organic visibility and support qualified lead generation. Experienced in healthcare/YMYL, automotive, industrial, local services, pet care, and e-commerce industries, with an additional specialization in Answer Engine Optimization (AEO) and Generative Engine Optimization (GEO) for AI-driven search environments.

PROFESSIONAL EXPERIENCE

SEO Executive — Alev Digital
2025 – Present

Digital Marketing Agency

- Lead keyword research and search intent analysis to identify ranking opportunities aligned with client business goals.
- Execute on-page SEO — title tags, meta descriptions, heading structure, schema markup, and internal linking — across diverse client sites.
- Conduct technical SEO audits covering crawlability, indexing, site speed, and structured data; prioritize fixes by impact.
- Develop site architecture strategies around topical authority and entity relevance to strengthen long-term SERP positioning.
- Apply AEO and entity-based optimization to improve visibility in AI-powered and conversational search results.
- Support team-based SEO implementation across healthcare and dental/YMYL websites — technical audits, on-page SEO, link building, and monthly reporting.
- Deliver client performance reports and contribute to strategic SEO planning discussions.
